

TRAVEL THE MANHATTAN WAY

With an advancing network of roads, metros, railways and water transport, every part of Mumbai and its sister cities are in close proximities, making cumbersome travelling a thing of the past. The future shines bright for Wadala with an ever-increasing number of infrastructure developments.

Proximity to Chembur & Navi Mumbai via Eastern Freeway

2 mins from Bhakti Park Monorail Station

4 mins from Proposed Metro Rail Line 4

10 mins from Proposed Nhava Sheva Sea Link

10 mins from BKC

20 mins from Fort via Eastern Freeway

A PROJECT BY:

**#KEEP
EVOLVING**
Philosophy that drives AJMERA GROUP

A LEGACY BUILT ON TRUST

We entered the realm of real estate in the year 1968, and we can now proudly say that we have delivered 3 crores sq. ft. all over the world. We started off in Mumbai and then moved on to Gujarat, Bengaluru, and Pune.

We then envisaged the tallest residential towers of Bahrain. Our international endeavor had just begun. We then forayed into the UK and built commercial and residential development across 6 towns. We are proud to have our legacy known as an India-leading multinational real estate organization. In 2022, we made our way back to the land that has always been closest to our heart - Wadala.

45,000+
Happy Families

Presence in 6 Cities
