Bharat 'Asbury Park' is a 20 – storey tower slated to be constructed in the buzzing Kandivali area. In this tower, the best of urban living blends with the dream of suburban serenity. Located in Kandivali West, Asbury lies in the area that is currently experiencing a boom in high – end residential towers. There are many schools and private educational institutions, in and around the area. The area has several lifestyle stores and a wide range of posh restaurants. It is also well equipped with large private hospitals. Be assured of living a healthy and fit life too, with many big sports complexes like MCA, Kamala Vihar and Poisar gymkhana at a stone's throw from the residence.
