London Comes To Life

Enjoy the charm of the good old London life; right here at Lodha Sterling, offering utmost exclusivity, vital for aristocracy.

Unique Low-rise, Low-density Architecture

Experience yesteryear's aristocratic style of living in a low rise, low density enclave, parading classical yet contemporary façade with elegant stone and ornamental metal work. A setting quintessential to affluent districts of Central London.

Alluring Garden Squares

Bigger than a private garden and more private than a public park, ~10,000 sq.ft alluring garden squares will encourage likeminded nobility to mingle in a peaceful environment.

Lush Green Landscapes

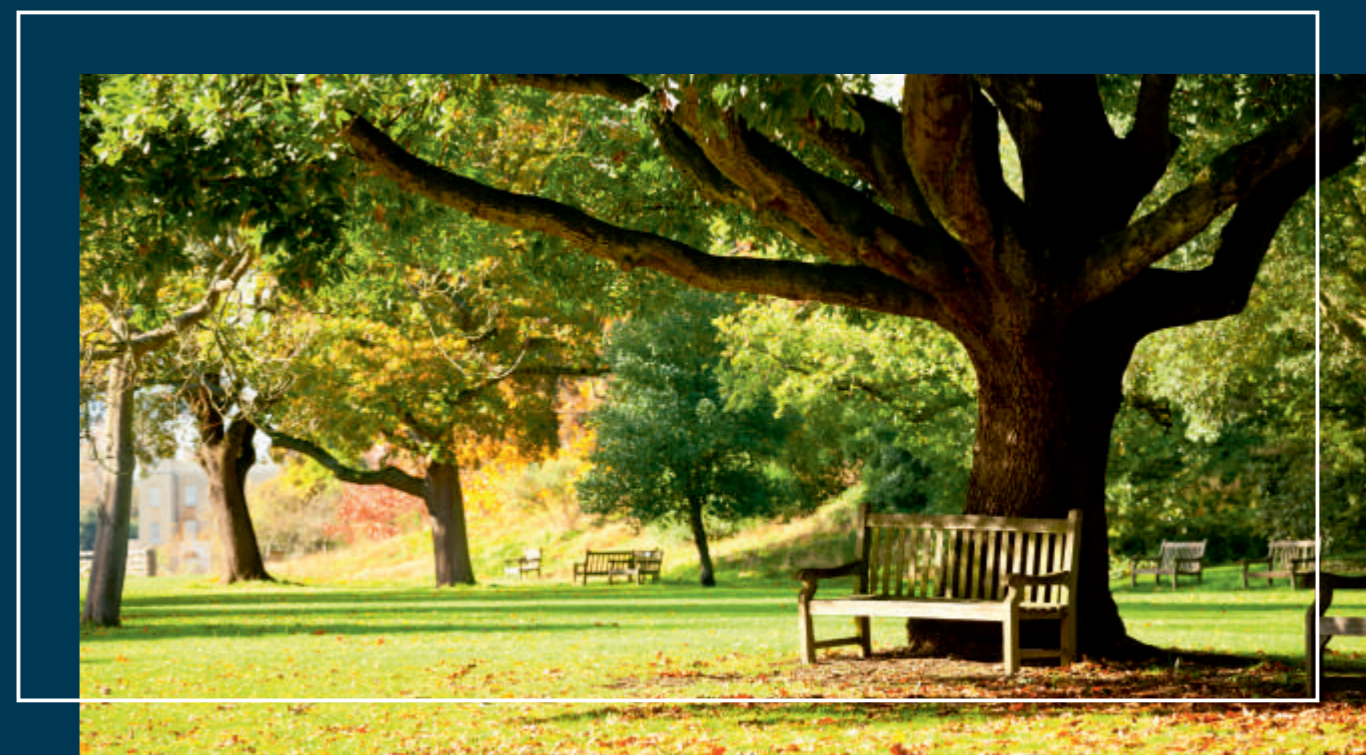

Landscape at Lodha Sterling speaks a verdant language. The focal point is the central lawn inspired by one of the royal parks of London: Hyde Park. With majestic tress, the central lawn is perfect for community, sports and leisure experiences.

Set amidst lush green landscaped lawns: The Crown offers you multitude of bespoke experiences. Truly, a modern-day interpretation to the royal county clubs of Britain.
