## ABOUT US

One of the most acclaimed names in the field of construction today, V. K Developers have steadily built a reputation par excellence since 2003. The firm has constructed elaborate societies of Bungalows and Residential Complexes in Rajkot, Gujarat. V.K Developers have always valued the principals of business practices and only upheld customer interest as their passion for providing better living experiences. With opportunities in a booming real estate market like Mumbai, they have envisioned their first project in this bustling city called Skye Enclave. Keeping pace with the changing trends and methods, they have always presented something new for their customers through their work for an enhanced livelihood.

# ABOUT PROJECT

Skye Enclave is a homely escape from the noise and clutter of the city of Mumbai. At 11 stories high, this residential building is equipped with the best facilities of modern architecture.
