When you own a business place,
you don't just own a piece of real estate.
You own an opportunity.
You own a sense of pride.
You own a feeling of belonging
to the league of achievers.
You own the leverage to grow.
And you own the unrivalled
power of a business address.

**AND IT IS EXPLAINED
IN TWO SIMPLE YET
POWERFUL WORDS —**

OWN IT!

A LOCATION WITH RISING INFRASTRUCTURE, MULTIPLE INDUSTRIES AND READY CLIENTELE. OWN IT!

For decades, the TTC Industrial Area Koparkhairane has witnessed the growth and transformation of various industries. Today, it plays a very important role in Navi Mumbai's business environment.

Now, IT holds the title of Commercial HQ of Navi Mumbai. It was anticipated from the time when the established hubs of Vashi reached the saturation point.

In addition, this natural extension of Vashi excels in infrastructure, connectivity, access to the supply chain, customer and new clientele as well as proximity to prime residential hubs. Being well connected to Thane, Central Mumbai and Panvel, the perfect bridge between Navi Mumbai's key hubs of the past and the high potential nodes of the far future. Coupled with the promise of an immediate infrastructure explosion and the upcoming international airport, this prime location is the most sought after by businesses.

OUR EXTRAORDINARY PROJECTS

ABOUT KAMDHENU

Established in 1955, under the guidance of Late Mr. Anantram Sabhlok.

In its long tenure, the group has been crafting exceptional quality living and commercial edifices. The company nurtures and develops every project with the utmost carer. In addition, the company aims to grow and diversify. This is evident in the company's eagerness for finding new challenges that bring out the best in the team. Apart from taking care of their ambition, the Company makes sure that their corporate social and environmental responsibilities are taken care of. What's more, Kamdhenu always keeps its promise of high quality and timely delivery with every project. Which is why, better lifestyle, world-class quality and vibrant edifices have now become a part of their identity.
